Dear Mr. Chairman:

As requested by the Acting Legislative Counsel, Central Intelligence Agency, I am forwarding directly to you the Department of Energy responses to the two questions you asked Admiral Stansfield Turner on February 7, 1978. I regret that the attached information was not available at the time of my appearance before your Committee on Friday, February 24, and hope that the delay has not inconvenienced the work of the Committee. I can assure you that the Department of Energy will be more responsive to the Committee's requests in the future.

Sincerely,

SIGNED
